

Coached Trail Pattern for class 24

1. Walk into arena, enter the Box, complete a 360 degree turn to the right
2. Exit the box and walk a serpentine through three cones, passing to the right of the first cone, proceed at trot towards the wagon wheel
3. Trot through the three poles of the wagon wheel, continue left hand turn in trot
4. Trot over pole and break down to walk at the cone
5. Continue in walk, make right hand turn around cone
6. Walk into the chute, Halt at the end of the chute, Back three steps
7. Walk over bridge, proceed in a half circle to the right, and continue to the serpentine.
8. Turn to the left, walk a serpentine through the poles as indicated. Exit arena at a walk
